Finalization of sectoral strategies

- How?

Jointly for our common future

„Sectoral strategies”

Finalization of sectoral strategies

- How?
- The findings shall be generalized by countries per GSS

Jointly for our common future

„Sectoral strategies”

Finalization of sectoral strategies

- How?
- The findings shall be generalized by countries per GSs
- From the country level strategies the responsible partners shall compose alternative strategies for the very special regions

Jointly for our common future

„Sectoral strategies”

- National strategies and SWOT analyses shall be sent to responsible partners
- + the proposals for those regions, groups of regions that need special intervention
- Regions of capital cities, remote rural regions, environmentally sensitive regions etc.

Jointly for our common future

„Sectoral strategies”

1. Strategy for regions with specific needs

2. Strategy for regions with specific needs

One general, common strategy for the whole region

3. Strategy for regions with specific needs

4. Strategy for regions with specific needs

Jointly for our common future
