

## Activities of PP6 in the Donauregionen + project

By Katalin Németh  
2-4. 06. 2010, Bukarest

Jointly for our common future

## PP6 = Pest County Regional Development Nonprofit Agency

- Responsible for the preparation and application of the regional development strategy of Pest County (NUT III. level)
- Has good knowledge of the Central-Hungarian area, experienced in regional planning
- Built up working network with the self governments of the Region

Jointly for our common future

## PP6 in Donauregionen+ project

- **Supporter of PP5** (Pest County Government)

– The support is based on our previous experiences and on the good working relations with the self governments of the area

Jointly for our common future

## PP6 in Donauregionen+ project

- As a supporter PP, we do not have any WPs to be responsible for. Our budget therefore is only a snippet compared to other PPs.
- PP5 is responsible for WP 6.1 (Development strategy for subregion ASH – starts 03. 2010. , ends 09.2011)

Jointly for our common future

## PP6 in Donauregionen+ project

- We support PP5 in organising and coordinating the creation of development strategy of Slovakian and Hungarian subregions

Jointly for our common future

## PP6 in Donauregionen+ project

- 1st WS in Senec (15-16.07.2009) – presentation
- Theoretical methodology was worked out – demonstrated by **PP6** in a **presentation**
  - introduced the SH region,
  - included our proposal for the possible work flow and the framework for evaluation the CDRs.
